LPA, Inc Membership: Camp Little People is considered an LPA District 2 event. Therefore, it has been agreed by Camp Little People and the LPA District officers that all campers should be paid LPA members to attend Camp Little People. It was agreed that first-time campers who are unfamiliar with LPA, Inc, may request a one-time only LPA membership dues assistance from District 2 for the first year.

LPA, Inc Code of Conduct: A signed Code of Conduct form is required by the family.

Cabin Assignments: Multiple families will be assigned to a cabin. You may request to share with certain families on the registration form. Otherwise, you will be assigned to a cabin by the camp director.

Parent/Legal Guardians Notice: Camp Little People requests that no adults who have been convicted of a crime against a child attend camp.

Parent/Legal Guardian Responsibility: The other partner groups of Camp Victory have trained “counselors” during their camps due to the fact that only the children come to camp during their camp week. Since we are a family camp, we are not required to have trained counselors to be responsible for the children. You, the parents/legal guardians are considered as our “counselors” for our camp as you will be responsible for your child/children during the weekend. As emphasized, this is a family camp, designed to be an opportunity for parents and children to spend quality time together.

Director/Volunteer Staff: Each member of our volunteer staff is sincere and dedicated in planning for you to have an enjoyable, memorable and safe experience at camp. Every volunteer staff member, medical personnel and director have had required background checks, child abuse clearance and mandated child abuse reporting training. Each volunteer staff member has assigned tasks to perform during the weekend to make it a success. Our volunteer staff members are constantly watching over the children while performing their assigned tasks and are available if needed for assistance. But, we remind parents/guardians not to assume the staff will watch your child/children so that parent(s)/guardian(s) have free time for themselves.

Resident Campers/Day Campers: All resident camper families and day camper families must complete and return a registration packet by the due date. Upon arrival, resident and day campers must stop at the Welcome Center for check-in before entering the camp premises. See visitor policy below:
